

Moneycorp is proud to partner with the British Chambers of Commerce

Helping BCC members grow their international business

Currency fluctuations can significantly impact companies engaged in international trade, and hinder growth ambitions. Powered by Moneycorp, The Chamber FX service helps your members effectively and efficiently manage their currency risk and payment needs through comprehensive FX hedging and payment solutions so that they can focus on what matters most: **growing their business.**

If your members:

Import/export goods and invoice in a foreign currency

Have exposure to currency fluctuation

Require credit lines to cover their foreign exchange exposure

Have offices located abroad

Make/receive regular overseas payments

Plan to import/export to new international areas

The Chamber FX service works with your members to formulate and execute an FX strategy that meets their business needs, risk appetite and growth ambitions.

Beware of currency risk.
